

Sungkyunkwan University are currently accepting applications for the tenth International Summer Semester (ISS) in 2017. Each year, the ISS has been better than the last. This year, we are planning the most comprehensive and exciting program yet. It is our mission to provide the best educational experience as well as share the beauty and spirit of Korea.

The ISS has been a success every year due to the generous contributions our partner universities have made by promoting it to their students. As always, you have our gratitude for helping inform your students about the program. We look forward to welcoming your students from June 26 to July 20, 2017. Here are some details:

- **Applications** – run until June 11. If you want to secure SKKU dormitory space for your students, please contact us as early as possible. Students can apply online via <http://summer.skku.edu>.

- **Information** – most questions can be answered by visiting our website. For additional questions, it's best to e-mail issoffice@skku.edu or to get in touch with your usual contact person at SKKU.

- **Promotional Video** – To give your students an impression of the ISS, please show them the video from 2016, which can be viewed or downloaded at our website.

- **Course Syllabi** – You can download them in PDF format at our website.

To strengthen our student exchange relationship, we would like to offer a **30% tuition waiver** to students of yours that apply for the ISS.

If you have any further questions regarding Sungkyunkwan University's International Summer Semester, feel free to contact the ISS Office at issoffice@skku.edu.

Thank you very much for your valuable support!
