

(It is a required document freshmen should hang it out for admission please.)

Your child has decided to study in Taiwan. We want to fully look after his/her studies and health at NUK. If your child needs emergency medical treatment, has an accident, or faces legal issues, your authorization for emergency situations is required in a hospital. Under this emergency situations if you are unable to personally be there to initiate the required procedures, then a NUK employee will do so on your behalf. However, we first require your signed authorization for us to act on your behalf. As you can see, an authorization form for emergency treatment is attached below. Please complete this form and submit it along with all other application documents on the day of registration.
