

SGU Japanese and Culture Program (Summer)

- ★ Intensive study of Japanese language and culture for a month. Field trips to major sightseeing spots in Hokkaido.
- ★ The program is intended for non-native Japanese speakers.
- ★ Japanese classes in the morning, special lectures and various activities in the afternoon.
- ★ Living in Japan and communicating with Japanese students will help develop your language skill.
- ★ SGU students will be your “buddies” to support so everyone can comfortably fulfill the program.

No prerequisite for Japanese. If you are interested in Japan and its culture you are welcome. It can be a thick group living during the program. It's important to communicate with many people and cultivate wide global view for the future.
